CALL FOR PAPERS

BACKGROUND

We are pleased to announce the 17th Workshop on European Financial Reporting, which will be hosted by Católica Lisbon School of Business and Economics, Portugal, on 1st and 2nd September 2022. In continuation of the workshop's tradition, the 2022 Workshop will offer parallel sessions that give sufficient room to present and discuss academic research papers. In addition, there will be plenary sessions in which keynote speakers from practice and regulatory or standard setting bodies inform on practical implications of current developments in accounting and financial reporting within Europe.

TARGET AUDIENCE

The workshop offers an opportunity and venue for the meeting of academics and practitioners that are interested in recent developments and research projects regarding financial reporting in Europe, its regulation and harmonisation, and its process of change due to international developments. Young academics are especially invited to participate and profit from the fruitful atmosphere of the EUFIN workshops. Topics of the papers may include, but are not restricted to, current accounting, sustainability, governance and accountability issues with regard to the EU or particular Member States, economic and regulatory issues of international financial reporting and standard setting, auditing and enforcement.

CALL FOR PAPERS

Papers are invited on any aspect of financial accounting and corporate reporting in Europe. Practice and policy-oriented research papers are particularly welcome. Papers written in English should be submitted electronically no later than 22 May 2022 via the conference website www.eufin2022.com.

Papers will be subject to a blind review process. Authors will be notified of acceptance by 30th June 2022.
